

12.1 eConsent for Participants

After a Visit with an eConsent form has been scheduled and the participant has been invited to the study, the participant can electronically sign the eConsent form.

Sign an eConsent form (Participants):

When a participant opens their dashboard, they will see the eConsent form on their dashboard with the date that the Visit event was scheduled.

The screenshot shows a participant's dashboard for study 'RGB22'. At the top left, the study name 'RGB22' is displayed. At the top right, there is a user profile icon with a dropdown arrow. Below this is an orange notification bar that says 'Welcome, Bob. Ready to get started?' with a close 'X' button on the right. Underneath the notification is a light gray box titled 'Consent' with the text '0 of 1 worked on. Complete by March 27'. At the bottom left, the text 'eConsent' is visible. At the bottom right, there is a prominent green button with the text 'Let's Go' and a right-pointing arrow. This button is highlighted with a thick orange border.

After the participant clicks **Let's Go**, they will see the form to fill out. For the eConsent form, in addition to any other text or input items in the form definition, the Participant will see the consent checkbox to indicate they are ready to add their formal signature. The text on the form will vary based on your study configuration.

Informed Consent

I consent to participate in the research project and the following has been explained to me: the research may not be of direct benefit to me, my participation is completely voluntary, my right to withdraw from the study at any time without any implications to me.

I agree

Close

Once the participant clicks the checkbox, they will need to fill in their **Participant ID** (displayed on the screen) and their **Access Code**. If they don't remember or have lost their access code, they can request a new one by clicking **Get Access Code**. If they request a new access code, it will be sent to their email address, mobile phone number, or both (if both are available).

Sign electronically

I confirm that I have freely and voluntarily consented for this form

Enter your information below to sign

Participant ID *
Provide your ID assigned by the study. Your Participant ID is 004

Access Code *
Your access code that you used to connect to your study dashboard

If you don't have your access code, you can get a new one by clicking below:

With the eConsent signed, the form will automatically be marked complete. When the participant returns to their dashboard, they will notice the eConsent form will appear at the bottom with a grey download button which allows them to download a copy of their consent form. This download option will remain available to the Participant if they return to the dashboard in the future.

RGB22

You don't have any forms to complete right now.
Thanks for your participation.
