

16.1.5 Log Out of OpenClinica

To log out from OpenClinica, click Log Out (above the navigation bar, on the right). To use OpenClinica again, log back in.

For your security, we recommend logging out and completely closing your browser after each session, especially if accessing OpenClinica on a shared computer.

Approved for publication by Cal Collins. Signed on 2020-02-19 8:49AM

Not valid unless obtained from the OpenClinica document management system on the day of use.
